City of Carlyle "Rooftops" Program Application

The Carlyle Rooftops Program is intended to encourage the construction of new single family dwellings within the City of Carlyle, and to increase the population of the City through crediting City utility charges owed to the City by the families and individuals who move into newly constructed homes. Applicants eligible to receive Rooftops credits will receive free water, sewer, and electric utilities for a period not to exceed 12 months or \$2,500. NOTE: The City recommends that this application be completed to include every person who is responsible for utilities and for every person who owns the home for which Rooftops credits are being applied. **You must apply for Rooftops credits within 30 days of moving into your eligible home. A Certificate of Zoning Compliance must also be issued before your move-in date.**
